RE: Notice of Upcoming Construction Activity

Dear Property Owner/Resident:

Beginning in April 2018, South Jersey Gas will begin the next phase of activities associated with the remediation of the Pleasantville former Manufactured Gas Plant (MGP) site. The site is located at the intersection of North Franklin Boulevard and Old Turnpike Road in Pleasantville, New Jersey. The work is anticipated to take approximately 14 months to complete.

A description of the planned work and the site's history can be found in the enclosed fact sheet. Additional information, including planned road closures and detours can be found by visiting pleasantvillemgp.com. If you have questions, please:

- call us at **(609) 833-2810**
- email comments@pleasantvillemgp.com

All activities will be done in accordance with the New Jersey Department of Environmental Protection's (NJDEP) Technical Requirements for Site Remediation and under the oversight of the site's New Jersey Licensed Site Remediation Professional.

Sincerely,

Caitlin Bast
